

Simply Delicious Catering & Event Planning

Welcome to Simply Delicious Catering & Event Planning. Our mission is to create an effortless and enjoyable experience for you. We will make your vision come to life without you having to lift a finger. From finding a venue all the way to decorations and entertainment, we do it all.

With 30 years experience in the restaurant and catering business, we pride ourselves on providing our customers with the freshest ingredients available from our local companies. We try to support our community and the state of Michigan as often as we can. Our recipes go back from some of our grandmother's recipes all the way to the modern style of cooking. We feel that anyone can go to the store and buy a dish and call it their own that's why we make everything homemade.

We also believe in providing excellent, professional service. Our staff has years of experience in the service industry and is always focused on making sure each guest is completely satisfied.
